

WELCOME TO YOUR COLORADO VACATION!

We want you to enjoy all that Colorado has to offer in a way that keeps you and others safe. **Do Colorado Right** by following the guidelines and informational links below. **SEE YOU SOON!**

1 TRAVEL RIGHT & SLEEP TIGHT

Please check local transportation, dining and on-mountain information prior to arrival. Travel and business restriction info can be found on the State of Colorado COVID-19 dashboard.

2 KNOW YOUR BUBBLE

Stay together and play together. Do not mix with other households or extended family if you did not travel to the destination together.

3 KEEP YOUR DISTANCE

Keep yourselves and our local workforce safe by avoiding **closed spaces, crowded places and close-contact settings.**

4 WHAT TO DO IF YOU'RE SICK

If you or one of your party experiences COVID-19 symptoms while visiting, or has come in close contact with someone who is sick, please contact the local health department, immediately notify your hotel staff or property manager and **follow isolation and quarantine protocols.**

CHECK YOUR SYMPTOMS

NOTIFY OTHERS

ISOLATE/QUARANTINE FOR 10 DAYS

5 ADD YOUR PHONE TO FIGHT COVID-19

Colorado has recently implemented a safe and effective app to track exposure to others who may have COVID-19 — **CO Exposure Notifications**. Prior to your travel, please activate on iPhone or download to Android at addyourphone.com.

6 MASK UP

Masks are required indoors throughout Colorado, and many communities have stricter measures in place. Learn the local rules upon arrival.

YOU can be the reason we have a season, and the Colorado Tourism Office wants to welcome you back again and again. Please travel safely, recreate responsibly and enjoy our local communities respectfully. We look forward to having you here!
